IDEA Regional Competition Sites

Visit www.idea-online.org for registration rules, forms, sample problems from the past, and more!

If you know your regional competition site, contact them for local information. If you are not sure of the site number for your school, you should contact the State Competition Director for advice. You may also contact regional directors of nearby competition sites for more information.

For 2012, registration and fees should be **postmarked** and **paid** by **February 10, 2012**.
