## Drafting & Design Competition Regional Sites 2015

Visit [www.idea-online.org](http://www.idea-online.org) for registration rules, forms, sample problems from the past, and more!

If your school resides with a community college district represented by an IDEA regional site, you must select that site. If you are not sure of the site number for your school, you should contact the State Competition Director for advice. You may also contact regional directors of nearby competition sites for more information.

For 2015, registration and fees should be **postmarked** and **paid** by

**February 7, 2015.**
